"A Louisville tradition since 1990"™

At Cliftons we are dedicated to producing a quality product at the best possible price. All of our pizzas are prepared individually with the freshest meats and vegetables. Our staff mixes dough from scratch each day and they can shape it to your liking: thick or thin. This is definitely not a fast-food pizza chain! From the sausage & cheese mixture in the stuffed mushrooms to the cream sauce in the Chicken Tetrazzini, each dish is made with quality ingredients. Along with our food, we are also particularly proud of our value, service and atmosphere. We hope you enjoy your visit and look forward to seeing you again.

Thank You, Mark
